To Whom It May Concern:

I am writing on behalf of the Committee to Preserve Historic Rillito Race Track and their application for historic designation of the track.

I recall when development ended at River Road, and Rillito Race Track was on the outskirts of town. A favorite weekend entertainment for Tucsonans was to go out and watch the quarterhorses run.

This is an attractive open area and I would like to see it retained. It is part of our early history that is fast disappearing.

I hope you will give the application very serious consideration.

Sincerely,

Morris K. Udall
